Find the names of some villains Captain America has done battle with in this word find. Look for MAGNETO, NIGHTSHADE, RED SKULL, BARON ZERO and BATROC. Remember to look forward, backward, up, down and diagonally.

Answer on page 47.

"Hmmmmmm," ponders Captain America. "There are any number of villains who might pull a stunt like this."

"We must comb the far corners of the earth to find Santa's reindeer,"
says the mighty Thor.

"And fast, or the kids won't have any Christmas gifts," adds Iron Man.

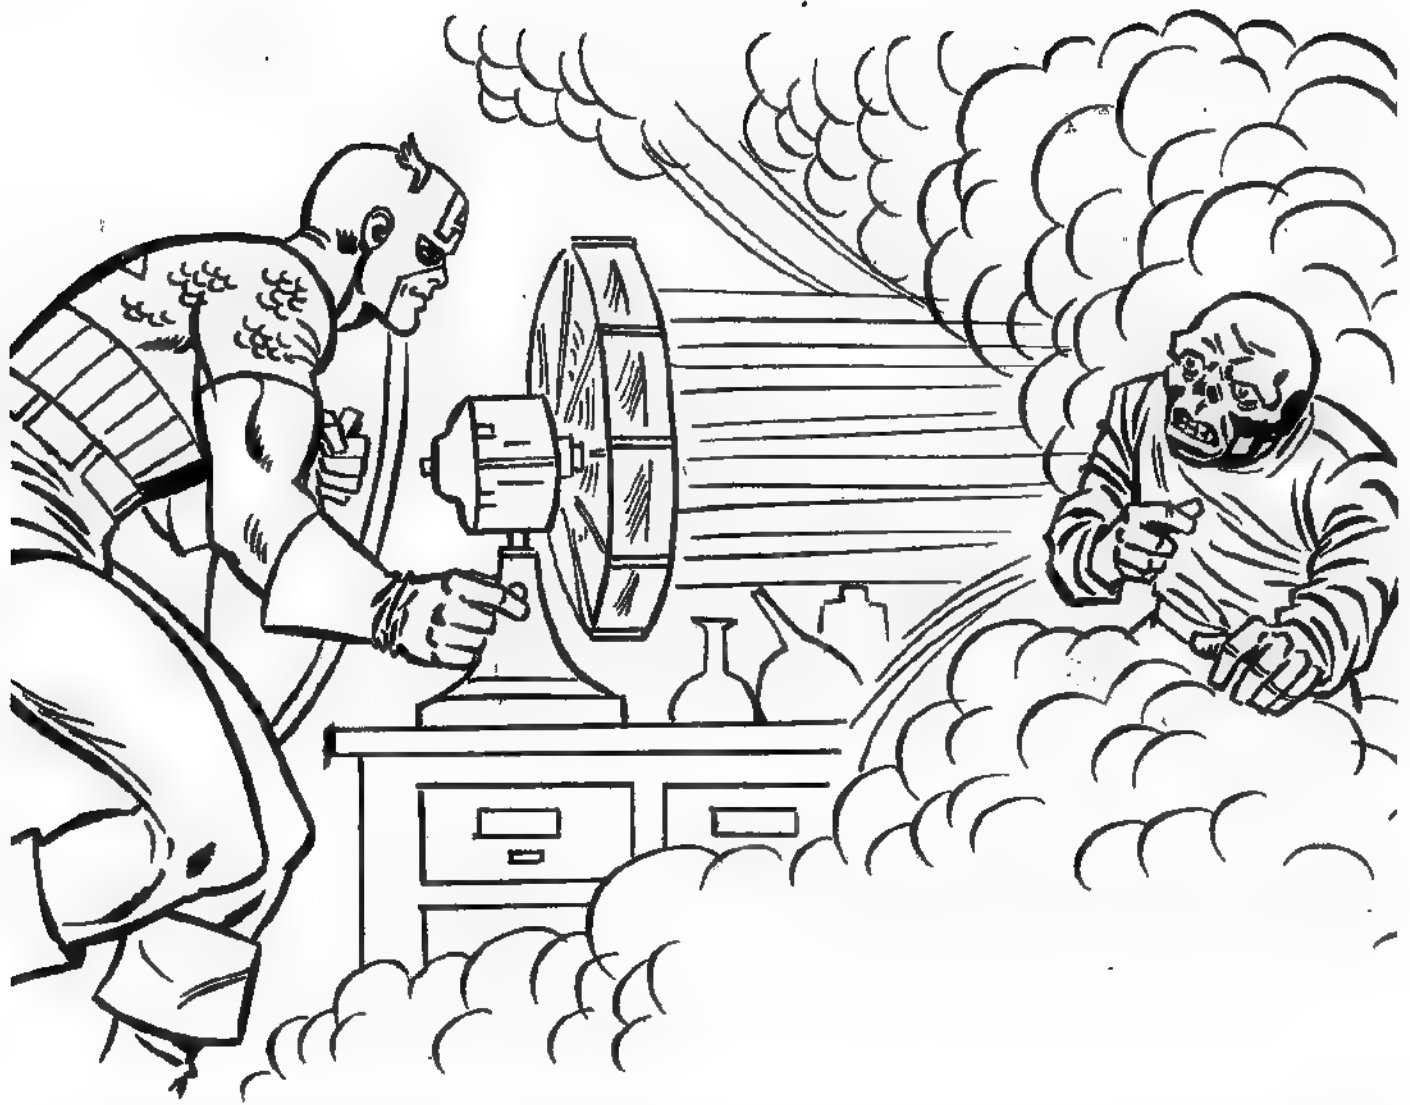

"I'm going to check out that rat, the Red Skull," says Captain America, leaving the Baxter Building.

"Ah, Captain America. What an unexpected holiday treat,"
sneers Red Skull.

"I have a little Christmas present for you," laughs the Red Skull.
"This truth gas I've invented will reveal your secret identity to me."

Now the Red Skull won't be able to find out Captain America's secret identity. But you can find it out by doing this puzzle. Just fill in the answers to the clues below. Then fill the letters in above the spaces with the same number. The first letter of the first clue has been done for you.

But Captain America quickly flips on a fan and blows the gas right back into the Red Skull's face!

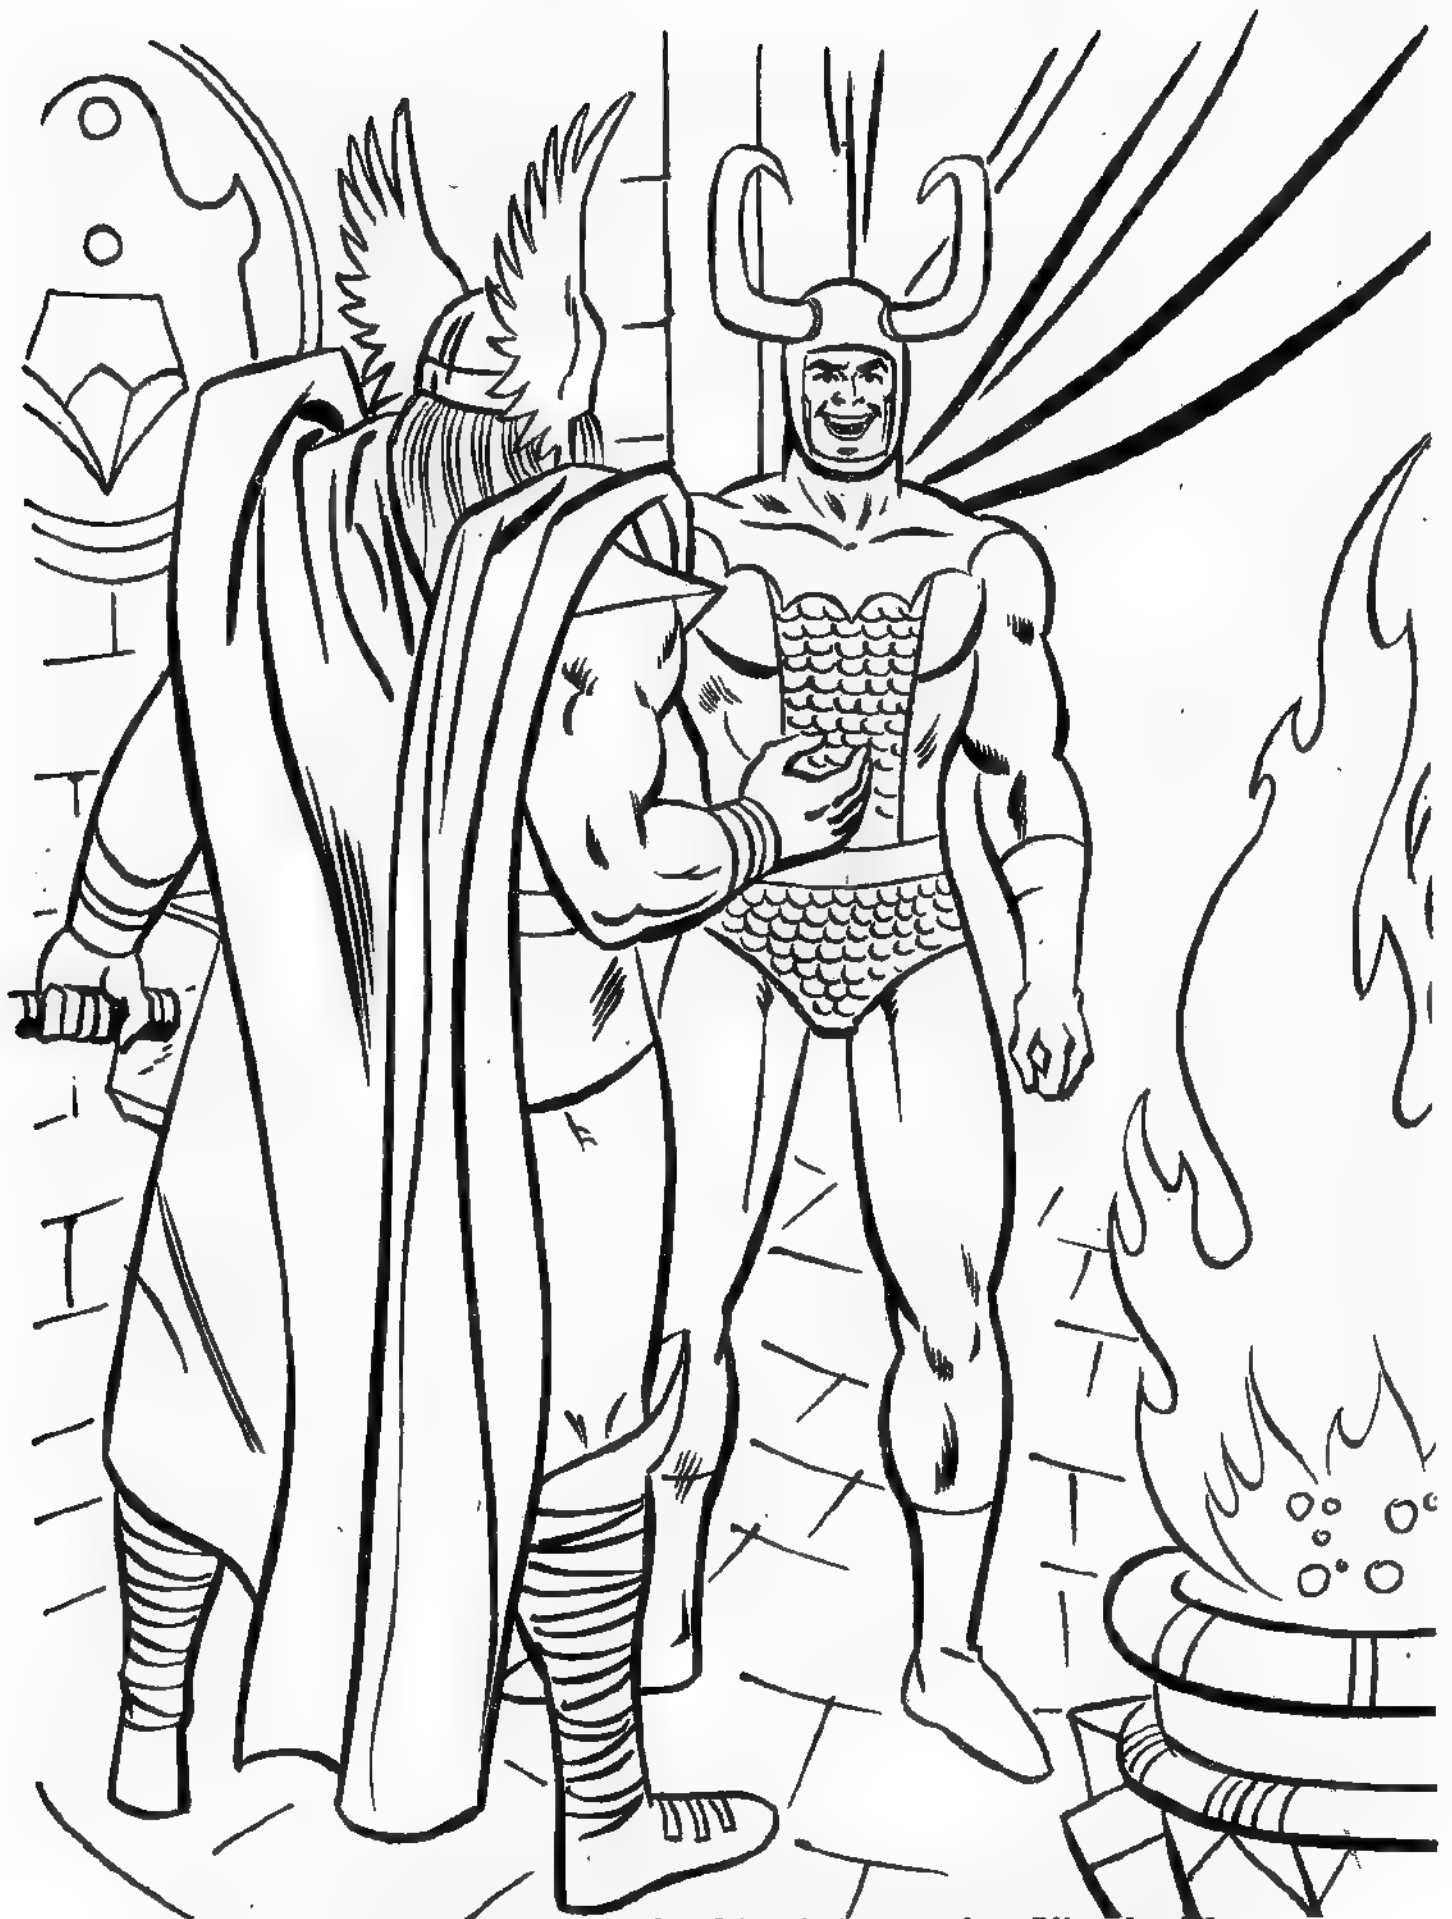

"Now you must tell me the truth, Red Skull. Did you steal Santa's reindeer?"

"I (choke) wish I had," coughs Red Skull, "but I cannot lie. I didn't think of it."

In Asgard, home of the Norse gods, THOR summons his evil brother, Loki.

"Are you behind the theft of Santa's reindeer?" asks Thor.
Loki just throws his head back and laughs.

"Do you mean the Santa who laughs 'Ho, Ho, Hoooooooooooooooooooo'?"
Loki uses his evil magic to hurl a stream of hard, round O's at Thor.
Thor's Uru Hammer is useless against them.

Answer on page 47.

"I can't waste time with your games, Loki. I must find those reindeer," says Thor.

The Hulk searches the mountains for Santa's reindeer.

"Who could have done this?" wonders Spider-Man as he unhooks the reindeer. Suddenly he turns and discovers exactly who the culprit is!

"So, Green Goblin," says Spidey. "You are the one behind this rotten scheme. But why?"

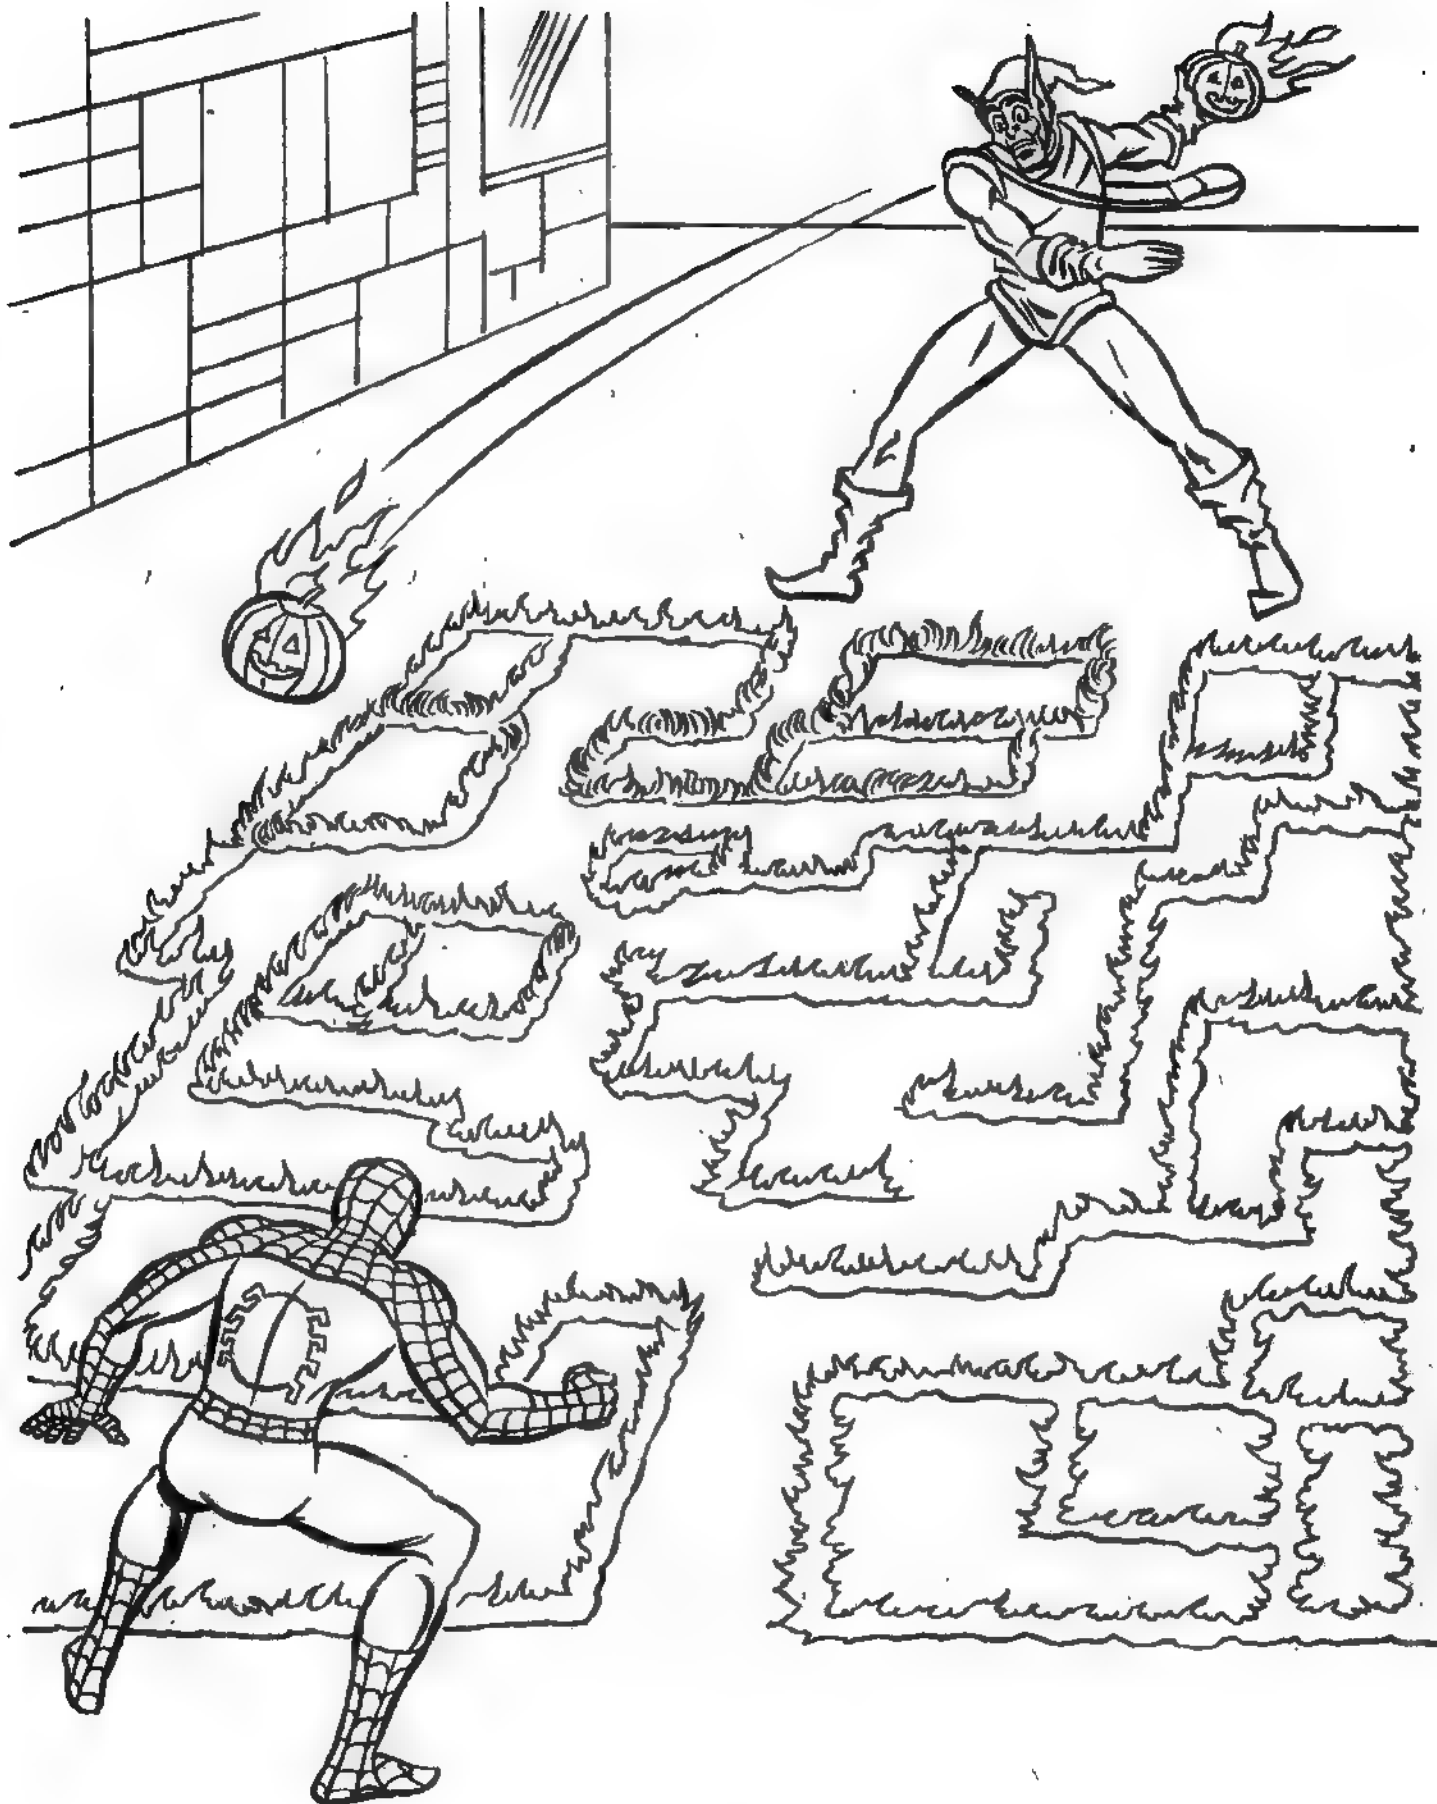

"You are too late Spider-Man. In a minute I will turn on this machine and these reindeer will come under my command. And only my command."

"Then I will fly to all the homes and lure the children into my sled. They will think I am Santa's helper. Then I will hook the children up to my machine and I will have a whole army of slaves who obey only me!"

"I'm just the guy to stop your twisted plan, Goblin," says Spidey as he swings towards the Green Goblin.

"That's what you think, Spider-Man," cries the Green Goblin. He creates a wall of fire by throwing his exploding pumpkins! Help Spidey reach the Green Goblin by guiding him through this flame maze.
